Move your university!

You have no problem approaching people, are open and communicative? Do you enjoy working with students and would like to make everyday life at the university a little more active? Then we are looking forward to meeting you!

Area of responsibility:

- Planning and implementation of the exercise break "Studi-Pausenexpress".
- Supervising the games mobile and inspiring university staff to take part in low-threshold physical activity activities.

Desired:

- Reliability & sense of responsibility
- Self-confident & motivating appearance

We offer:

- Training including tips and practice examples
- Certificate and payment
- Playful acquisition of soft skills such as didactic and methodical teaching skills, presentation in front of a large group as well as strengthening of your health skills
